

Boost Your Network and Unlock Opportunities

Unlock the power of connection with the WISE Networking Program! Join us for 10 engaging online sessions per year—each lasting 60 minutes. Our meetings include building a genuine, supportive peer community where you can share ideas, solve challenges, exchange valuable contacts, and collaborate with like-minded professionals. Each session features a thought-provoking topic led by Sarah Beth Aubrey, plus open conversation and shared learning. Stay connected between sessions through our private social media group, designed to keep the conversation—and the momentum—going. Join us and build lasting relationships that drive success!
